Subject: Revised Reorganization Package from Region 8
Attachments: Filled Posters.updated.orgs only.10.12.18.pptx; Region 8 Proposed Realignment Staffing Plan Crosswalk.v.2.10.12.18.xlsx; ARMD proposed functional statements.zip; ARD Proposed functional statements.zip; LSAD.zip; lcard.zip; ORA Proposed Functional Statements.zip; SEMD Proposed Functional Statements.zip; WD Proposed Functional Statements.zip; ECAD Functional statements.zip

All,

I am enclosing a revised reorganization package from Region 8. The major change is the elimination of the Planning, Coordination and Data Branch in the ECAD Division, and the distribution of that staff to other ECAD Divisions and the Regional Administrators Office. However, I am providing a new copy of the complete package in order to ensure that there are no version control issues. Please feel free to reach out to me with any questions.

Josh Fowler
